

ERICKELLY

INTERACTION DESIGNER & WEB DEVELOPER ~~NINJA~~

(203) 887-2518 // heroiceric@gmail.com // www.erickel.ly

EMPLOYMENT **TELREPCO, INC // 2009-PRESENT**

DESIGN, FRONT-END DEVELOPMENT, ECOMMERCE (MAGENTO), EMAIL MARKETING, SEO

Initially I was hired as an intern to refresh their dated Yahoo eCommerce website, including modernizing its design as well as updating and maintaining its content. Since then, I've designed a new website that incorporates eCommerce with Magento. I've also taken part in various marketing strategies, including online ad campaigns, email marketing, and direct mailings.

HOGANS ALLEY PAINTBALL // 2009-2011

TEAMWORK, INTERPERSONAL SKILLS, RESPONSIBILITY

My responsibilities as a referee included making sure that players were following the rules of the game and that everybody on the field was abiding by all of the safety rules. I was also a part of field maintenance and sometimes assisted the store staff with sales and customer service.

EDUCATION **QUINNIPIAC UNIVERSITY // 2011**

BACHELORS OF ARTS, INTERACTIVE DIGITAL DESIGN

During my time at Quinnipiac I majored in Interactive Digital Design but also took multiple courses in Computer Science and Psychology.
